  - (b) Tenant Expenses. Tenant shall be responsible for, and shall pay all costs and expenses associated with the following applicable services for the Premises: WIFI, telephone, fiber optic connection and usage fees, utility (water, sewer, gas, electricity) usage charges (if separately metered per Section 6 below or prorated for the Building), and trash removal fees, and any damage caused by Tenant's negligence or misuse of the Premises, all of which shall be deemed "Additional Rent" hereunder. Landlord shall have the right to separately meter any utilities provided to the Premises at Tenant's expense, and Tenant shall pay thereafter all such separately-metered utilities. Except to the extent caused by the negligence or intentional misconduct of Landlord or its agents, employees or contractors, failure by Landlord to any extent to furnish or cause to be furnished the utilities or services described in this Lease, or any cessation or interruption thereof resulting from any cause, including without limitation, mechanical breakdown, overhaul or repair of equipment, strikes, riots, acts of God, shortages of labor or material, compliance by Landlord with any voluntary or similar governmental or business guidelines, governmental laws, regulations or restrictions, or any other similar causes, shall not render the Landlord liable in any respect for damages to either person or property, for any economic loss or other consequential damages incurred by Tenant as a result thereof, be construed as an eviction of Tenant or relieve

Notwithstanding the foregoing sentence, Landlord and Tenant agree (i) to allow local Emergency Medical Services ("EMS") personnel access to the Bay 2 Trauma Room in the Premises for short term needs of EMS patients and for the storage of EMS equipment in a storage unit designated for EMS use and (ii) to allow Tenant's UW Medicine affiliate, Airlift Northwest, to use administrative space in the Premises and the helipad located on the Land on an as-needed basis. Tenant shall not commit any act that will increase the then existing rate of insurance on the Premises and will immediately pay any such increase. Tenant shall promptly pay upon demand the amount of any increase in insurance rates caused by any act or acts of Tenant. Tenant shall not commit or allow to be committed any waste upon the Premises, or any public or private nuisance or other act which is unlawful. Tenant shall, at Tenant's expense, comply promptly with all applicable statutes, ordinances, rules, regulations, orders and requirements, including without limitation laws and regulations prohibiting discrimination on the basis of race, gender, religion, national origin, age or disability, in effect during the Lease Term hereof including without limitation the Americans With Disabilities Act, regulating the use, occupancy or improvement of the Premises. Tenant shall observe and comply with all reasonable rules and regulations put into effect by Landlord, provided a copy thereof has been provided to Tenant.
8. IMPROVEMENTS. Upon expiration or sooner termination of this Lease, all improvements and additions to the Premises shall be deemed the property of Landlord.
9. ACCEPTANCE OF PREMISES AND FF&E. Tenant hereby accepts the Premises and FF&E "as-is" in their condition existing as of the date of the execution hereof and that Landlord shall have no obligation of any kind to alter, repair, improve, or rebuild the Premises in connection with Tenant's occupancy thereof or to make any capital expenditures for FF&E or for the correction of alleged deficiencies in the FF&E. Tenant acknowledges that neither Landlord nor Landlord's agent has made any representation or warranty as to the suitability of the Premises or FF&E for the conduct of Tenant's business, and Tenant hereby waives any rights, claims or actions against Landlord under any express or implied warranties of suitability.
10. CARE OF PREMISES AND FF&E. Landlord shall maintain the exterior and structural portions of the Premises, and all mechanical systems of the Building including, but not limited to, HVAC, septic systems and fuel and maintenance of the auxiliary generator, in a manner consistent with any applicable manufacturer and safety specifications and in good working order and condition reasonably acceptable to Tenant, except for damage, other than ordinary wear and tear, occasioned by act or omission of Tenant or its contractors, agents, invitees, licensees or employees, the repair of which damage shall be paid by Tenant. Except for repair and maintenance of by Landlord under the terms of this Lease as specified herein, Tenant shall keep the Premises and FF&E in neat and clean and in sanitary condition, ordinary wear and tear excepted. Landlord shall be solely responsible for cost of replacement FF&E listed on Exhibit C at the end of the useful life of such with replacement items reasonably acceptable to both parties. Landlord may request that Tenant purchase replacement FF&E listed on Exhibit C on Landlord's behalf, and Landlord will reimburse Tenant for such purchases upon receipt of Tenant's invoice. Replacement of any additional equipment purchased by Tenant that is not listed on Exhibit C, shall be at Tenant's sole expense. Notwithstanding the foregoing, Landlord

and Tenant may mutually agree to add additional items to Landlord's FF&E and shall amend this Lease according to Section 28.d. to include an updated Exhibit C. All structural repairs required to be made by Landlord shall be those reasonably determined by Landlord as necessary to maintain the structural integrity of the Building and the Premises.

(a) If Landlord fails to maintain the Premises, including repairs, as required under this Section 9, and such failure to maintain and/or repair the Premises has a material impact on the day to day functioning of the Lopez Island Primary Care Clinic, as determined by Tenant, and the failure continues for a period of fifteen (15) days after notice from Tenant, Tenant may perform the maintenance and/or repairs, and Landlord agrees to reimburse Tenant within thirty (30) days of receipt of Tenant's invoice for any costs for the maintenance and/or repairs incurred by Tenant.

(b) If Landlord fails to maintain the Premises, including repairs, as required under this Section 9, and such failure to maintain and/or repair the Premises does not have a material impact on the day to day functioning of the Lopez Island Primary Care Clinic, as determined by Tenant, and the failure continues for a period of thirty (30) days after notice from Tenant, Tenant may perform the maintenance and/or repairs, and Landlord agrees to reimburse Tenant within thirty (30) days of receipt of Tenant's invoice for all costs for the maintenance and/or repairs incurred by Tenant.

11. ALTERATIONS AND ADDITIONS. Tenant shall not make any alterations, improvements, additions, or utility installations in or about the Premises (collectively, "Alterations") without first obtaining the written consent of Landlord and, where appropriate, in accordance with plans and specifications approved by Landlord. Any alterations required to be made to the Premises by any applicable building, health, safety, fire, nondiscrimination, or similar law or regulation ("law") shall be made at Tenant's sole expense and shall be subject to the prior written consent of Landlord. Any alterations required to be made to the Building, excluding the Premises, by any applicable building, health, safety, fire, nondiscrimination, or similar law or regulation ("law") shall be made at Landlord's sole expense. Tenant shall reimburse Landlord for any reasonable sums expended for examination and approval or architectural or mechanical plans and specifications of the Alterations. Landlord may require a lien and completion bond for such construction, or require the improvements be removed at the expiration of the Lease Term. Landlord's approval of the plans, specifications and working drawings for Tenant's alterations shall create no responsibility or liability on the part of Landlord for their completeness, design sufficiency, or compliance with all laws, rules and regulations of governmental agencies or authorities. Tenant shall pay, when due, all claims for labor or materials furnished to or for Tenant at or for use in the Premises, which claims are or may be secured by any mechanic's or materialmen's liens against the Premises or any interest therein. Unless Landlord requires their removal, all Alterations (other than trade fixtures and movable equipment) which may be made on the Premises shall become the property of Landlord and remain upon and be surrendered with the Premises at the expiration of the Lease Term.

12. ACCESS. Tenant shall permit Landlord and its agents to enter the Premises at all reasonable times, and with the least amount of interference with Tenant's clinic operation, for the purpose of inspecting, cleaning, repairing, altering or improving the Premises and FF&E. Landlord shall provide Tenant with at least forty-eight (48) hours' notice of its intent to enter the Premises for the purposes stated in this Section 12. Landlord may temporarily close any portion of the Premises without liability to Tenant by reason of such closure, and such closure shall not constitute an eviction of Tenant.

13. DAMAGE OR DESTRUCTION. If all of the Building or Premises or such portions of the Premises as may

be required for the reasonable use of the Premises are damaged by fire or other casualty, Landlord or Tenant may elect to terminate this Lease, effective as of the date of such casualty. In the event of casualty to a material part, but less than all, of the Premises, where Landlord shall determine that the remaining portions of the Premises cannot be economically and effectively used by it (whether on account of physical, economic, aesthetic or other reasons) or where Landlord determines the Premises should be restored in such a way as to materially alter the Premises, Landlord shall forward a written notice to Tenant of such determination not more than thirty (30) days after the date of such damage. The Lease Term shall expire upon such date as Landlord shall specify in such notice but not earlier than sixty (60) days after the date of such notice. If this Lease is not terminated as aforesaid, it shall continue in full force and effect during such reconstruction, except that Tenant's obligation to pay Basic Rent shall be suspended in the same proportion as the untenable portion of the Premises bears to the whole Premises until such time as Tenant can resume full operations in the rebuilt Premises. If this Lease is terminated as aforesaid, no damages, compensation or claim shall be payable by Landlord for inconvenience, loss of business or annoyance arising from any damage or destruction to any portion of the Premises. Landlord will not carry insurance of any kind on any improvements paid for by Tenant or on Tenant's furniture, furnishings, fixtures, equipment or appurtenances of Tenant under this Lease and Landlord shall not be obligated to repair any damage thereto or replace the same.

#### 14. INDEMNIFICATION.

(a) Indemnity. Tenant shall indemnify, defend and hold Landlord harmless from and against all loss, cost and expense, including attorneys' fees, arising from any act, omission, or negligence of Tenant or its officers, contractors, licensees, agents, servants, employees, guests, invitees, or visitors in or about the Premises or Land, or arising from any injury or damage to any person or property, occurring in or about the Premises or Land as a result of any act, omission or negligence of Tenant, or its officers, contractors, licensees, agents, employees, guests, or visitors or arising from any breach or default under this Lease by Tenant. The foregoing provisions shall not be construed to make Tenant responsible for loss, damage, liability or expense resulting from injuries to third parties caused solely by the negligence or intentional misconduct of Landlord, or its officers, contractors, licensees, agents, employees, or invitees in the Premises. Subject to Section 14(d) (waiver of subrogation), Landlord shall indemnify, defend and hold Tenant and its officers, agents, employees and contractors harmless from all losses, damages, fines, penalties, liabilities and expenses incurred (including Tenant's attorneys' fees and other costs incurred in connection with such claims, regardless of whether claims involve litigation) resulting from any actual or alleged injury to any person or from any actual or alleged loss of or damage to any property alleged to be attributable to Landlord's negligent operation of the Building or the negligent acts or omissions of Landlord, or its employees, agents, officers or directors in the Premises. Notwithstanding any of the foregoing, subject to Section 14(d) (waiver of subrogation), if losses, liabilities, damages, liens, costs and expenses so arising from the operation or occupation of the Premises are caused by the concurrent negligence of both Landlord and Tenant or their respective employees, agents, invitees and licensees, each party (the "Indemnifying Party") shall indemnify the other party (the "Indemnified Party") only to the extent of the negligence of the Indemnifying Party or its officers, agents, employees, guests or invitees.

(b) Notice of Claims. The respective indemnifications provided for in Section 15(a) with respect to acts or omissions during the Lease Term shall survive termination or expiration of this Lease. Each party shall provide the other party with prompt written notice of any claim for indemnification

under this Section 14(a).

- (c) Exemption of Landlord From Liability. As a material part of the consideration to Landlord, Tenant hereby agrees that, notwithstanding anything to the contrary in Section 15(a) above, Landlord shall in no event be liable for injury to Tenant's business or assets or any loss of income therefrom or for damage to Tenant's employees, invitees, customers, or any other person in or about the Premises, whether such damage, loss or injury results from conditions arising upon the Premises, or from other sources or places, and regardless of whether the cause of such damage, loss or injury or the means of repairing the same is inaccessible to Tenant. The foregoing exemption of Landlord from liability shall not apply to the extent that the conditions of the Premises that gave rise to the damage, loss or injury is a result of Landlord's negligence, willful or intentional conduct or that of Landlord's officers, contractors, licensees, agents, employees in the Premises.
- (d) Waiver of Subrogation. Except for deductibles/self-insured retentions carried by Landlord, each of Landlord and Tenant hereby waive any and all rights to recover against the other, or against the officers, directors, shareholders, partners, joint ventures, employees, agents, customers, invitees or business visitors of such other party, for any loss or damage to such waiving party arising from any cause covered by any property insurance required to be carried pursuant to this Lease or any other property insurance actually carried by such party. Landlord and Tenant, from time to time, will cause their respective insurers to issue appropriate waiver of subrogation rights endorsements to all property insurance policies carried in connection with the Premises or the contents of either.
- (e) Limitation on Indemnities. In compliance with RCW 4.24.115 as in effect on the date of this Lease, all provisions of this Lease pursuant to which Landlord or Tenant (the "Indemnitor") agrees to indemnify the other (the "Indemnitee") against liability for damages arising out of bodily injury to persons or damage to property relative to the construction, alteration, repair, addition to, subtraction from, improvement to, or maintenance of any building, road, or other structure, project, development, or improvement attached to real estate, including the Premises, (i) shall not apply to damages caused by or resulting from the sole negligence of the Indemnitee, its agents or employees, and (ii) to the extent caused by or resulting from the concurrent negligence of (a) the Indemnitee or the Indemnitee's agents or employees, and (b) the Indemnitor or the Indemnitor's agents or employees shall apply only to the extent of the Indemnitor's negligence; provided, however, the limitations on indemnity set forth in this paragraph shall automatically and without further act by either Landlord or Tenant be deemed amended so as to remove any of the restrictions contained in this paragraph no longer required by then-applicable law.

15. HAZARDOUS SUBSTANCES. Except for normal office and cleaning supplies typically found in medical office environments and used in accordance with label instructions and applicable laws and as otherwise permitted in Section 27 below (Medical, Biological and Infectious Wastes), Tenant shall not use, dispose of or otherwise allow the release or disposal of any hazardous substance, waste or materials in, on or under the Premises, the Land, or any adjacent property. Tenant represents and warrants to Landlord that, except as set forth in the preceding sentence, Tenant's intended use of the Premises does not involve the use, production, disposal or bringing any hazardous substance, waste or materials into or onto the Premises or the Land. As used herein, the term "hazardous substance, waste or materials" includes any substance, waste or material defined or designated as hazardous, toxic or dangerous (or any similar term) by any federal, state or local statute, regulation, rule or ordinance now or hereafter in effect. Tenant shall promptly comply with all applicable laws and with

all orders, decrees or judgments of governmental authorities or courts having jurisdiction relating to hazardous substance, waste or materials. Tenant agrees to indemnify, defend and hold harmless Landlord against any and all loss, cost and expense (including, without limitation, consultant fees, attorneys' fees and disbursements) which may be imposed on, incurred or paid by, or asserted against Landlord or the Premises or Land by reason of or in connection with (i) any misrepresentation, breach of warranty or other default by Tenant under this Lease, or (ii) the acts or omissions by Tenant under this Lease, or (iii) the acts or omissions of Tenant, or any sublessee or other person for whom Tenant would otherwise be liable, resulting in the release of any hazardous substance, waste or materials. If Tenant or its employees, customers, contractors, or agents discovers any existing asbestos or asbestos-containing materials on the Premises in connection with any Landlord-approved Alterations of Landlord's Work, Tenant shall immediately notify Landlord. Should Tenant discover any such asbestos or asbestos-containing materials on the Premises and Tenant so notifies Landlord, Landlord shall promptly consult with a AHERA certified asbestos abatement contractor ("CAAC"). Upon the recommendation of such CAAC, Landlord shall commence the removal, remediation, abatement, encapsulation or clean-up of such asbestos, asbestos-containing materials from the Premises. Landlord shall be solely responsible for the cost associated with the removal, remediation, abatement, encapsulation or clean-up of asbestos or asbestos-containing materials.

#### 16. INSURANCE.

- (a) Coverage Required. Tenant shall maintain in full force and effect at all times during the Lease Term at its own expense, for the protection of Tenant and Landlord, as their interests may appear, policies of insurance issued by a responsible carrier or carriers who are qualified to do business in the State of Washington which policies shall afford the following coverages:
- (i) Workers' Compensation Insurance as required by applicable Washington State law;
  - (ii) Commercial General Liability Insurance in an amount not less than TWO MILLION DOLLARS (\$2,000,000) per occurrence/general aggregate limit (which limit may be satisfied by the combination of primary and excess liability policies), which may be written on an "occurrence" basis, and which lists Landlord as an additional insured by indorsement reasonably acceptable to Landlord; and
  - (iii) Professional liability insurance coverage which shall insure against any action, error, or omission of Tenant or its employees, in connection with the provision of any health care and/or dental services provided by Tenant or its employees, in the Premises. The University of Washington provides professional liability coverage for UWPN through a self-insurance program pursuant to RCW 28B.20.250 through RCW 28B.20.255. Coverage through the University of Washington self-insurance program shall be deemed to satisfy the professional liability coverage requirements for the purpose of this Lease.
- (b) Insurance Requirements. All insurance policies required to be maintained by Tenant under this Lease, other than Tenant's self-insured professional liability coverage as described above, shall be issued by insurance companies which have a Best's Rating of "A-" or better and are included within Best's Financial Size "Class VII" or larger in the most current available "Best's Insurance Reports," and which are qualified to do business in the State of Washington. Tenant's general liability policy shall list Landlord as an additional insured or loss payee, as applicable and shall entitle Landlord to recover under said policy for any loss occasioned to Landlord, its servants,

agents and employees by reason of the negligence of Tenant or its employees, agents or contractors. All liability and property damage and other casualty policies of Tenant shall be written as primary policies, not contributing with, and not in excess coverage which Landlord may carry.

(c) Certificates. Tenant shall deliver to Landlord on the Commencement Date of this Lease and thereafter at least fifteen (5) days prior to expiration of any insurance required to be carried hereunder, certificates of insurance evidencing this coverage with limits not less than those specified above. All such certificates shall expressly provide that no less than thirty (30) days' prior written notice shall be given Landlord in the event of expiration or cancellation of the coverages or policies evidenced by the certificates.

(d) Landlord Insurance. Landlord shall maintain throughout the Lease Term and any applicable Extended Term policies of property insurance covering loss of or damage to the Building and the Premises (including Landlord-owned tenant improvements and subsequent alterations to the Premises) in the full amount of its replacement cost, with an endorsement to cover code changes, covering perils insured under special causes of loss form and broad causes of loss form. Such policies shall provide protection against all perils included within the classification of fire, extended coverage, vandalism, malicious mischief special extended perils ("special cause of loss"), and sprinkler leakage. If any permanent improvements are made to the Premises at Tenant's expense, Landlord shall and is hereby deemed to assign to Tenant a right to insurance proceeds in the amount equal to the replacement cost of such improvements. Notwithstanding the assignment, and provided this Lease is not terminated pursuant its terms, all proceeds of Landlord's property insurance shall be applied, as required, toward the restoration or replacement of the Building and/ or the Premises (including the improvements constructed at Tenant's expense), and Tenant shall reassign to Landlord its portion of insurance proceeds for such purpose. The property insurance carried by Landlord pursuant to this Section 16(d) shall be primarily to and non-contributory with any property insurance carried by Tenant. Landlord shall further maintain throughout the Lease Term and any Extended Term a policy of commercial general liability insurance with a combined single limit of not less than two million dollars (\$2,000,000.00) per occurrence and four million dollars (\$4,000,000.00) aggregate for bodily injury and property damage, insuring Landlord against liability arising out of the ownership, use, occupancy or maintenance of the Building. The foregoing dollar limits may be satisfied through "excess coverage," so long as such excess coverage affords the same protection against the same risks covered by the general liability insurance described in this Section 16(d). All required Landlord's insurance shall be issued by insurance companies authorized to do business in the State of Washington with a Best's Rating of "A VII" or better.

17. ASSIGNMENT AND SUBLETTING. Except as set forth below, neither this Lease nor any interest therein may be assigned, mortgaged, transferred or encumbered, nor shall all or any part of the Premises be sublet (each of which, a "Transfer"), without Landlord's prior consent. If Tenant is a corporation, partnership, limited liability company, or any other entity, any transfer of a controlling ownership interest in such entity or any transfer of this Lease by merger, consolidation or liquidation shall be deemed a Transfer requiring Landlord's consent under this Section 17. Transfers include, without limitation, one or more sales or transfers, by operation of law or otherwise, or creation of new stock, by which an aggregate of more than fifty percent (50%) of Tenant's stock, or partnership or membership interests, as applicable, shall be vested in a party or parties who are non-stockholders or non-partners or non-members, as applicable, as of the date hereof (provided that the foregoing shall

not apply if Tenant's stock is listed on a recognized national stock exchange or is traded over-the-counter). Notwithstanding the foregoing, Tenant may assign this Lease or any interest under this Lease to a UW Medicine affiliate of Tenant without the prior written consent of Lessor. Any assignee or subtenant (each, a "Transferee") shall assume all of Tenant's obligations under this Lease and be jointly and severally liable with Tenant hereunder. Consent to any such Transfer shall not operate as a waiver of the necessity for consent to any subsequent Transfer. Tenant shall pay to Landlord the full amount of any Transfer Premium derived by Tenant from such Transfer. "Transfer Premium" shall mean all rent and any other consideration payable by a subtenant, assignee, or other transferee in excess of the Rent payable by Tenant under this Lease (on a per square foot basis, if less than all of the Premises is Transferred— e.g., pursuant to a sublease), after deducting therefrom any brokerage commissions in connection with the Transfer actually paid by Tenant to an unaffiliated broker. If any part of the consideration for such Transfer shall be payable other than in cash, Landlord's share of such non-cash consideration shall be in such form as is reasonably satisfactory to Landlord. The Transfer Premium payable hereunder shall be due within ten (10) days after Tenant receives such payments. If Landlord consents to any proposed Transfer, Tenant may enter into same, but only upon the specific terms and conditions set forth in Tenant's Request for Consent; any such Transfer shall be subject to, and in full compliance with, all of the terms and provisions of this Lease; the consent by Landlord to any Transfer shall not relieve Tenant of any obligation under this Lease; Landlord may require the Tenant and the Transferee to execute a Landlord's consent form; and no Transfer shall be binding on Landlord unless Tenant and the transferee shall deliver to Landlord a fully-executed counterpart of the document effecting the Transfer.

18. LIENS AND INSOLVENCY. Tenant shall keep its interest in this Lease and any Property of Tenant (other than unattached personal property) and the Premises and the Land free from any liens arising out of any work performed or materials ordered, or obligations incurred by or on behalf of Tenant and hereby indemnifies and holds Landlord harmless from any liability from any such lien. Tenant shall have no right or authority to cause or allow the Premises or Land to be subjected to any such lien. Tenant shall provide Landlord written notice of intended construction, alteration or repair work at least twenty (20) days before the commencement thereof to afford Landlord an opportunity to post notices of no responsibility.

19. DEFAULT.

- (a) Default By Tenant. The occurrence of any one or more of the following events shall constitute a material default and breach of this Lease by Tenant: (i) the abandonment of the Premises by Tenant or the vacating of the Premises for more than thirty (30) consecutive days; (ii) the failure by Tenant to make any payment required to be made by Tenant hereunder, and such failure continues for more than five (5) business days after written notice from Landlord; (iii) the failure by Tenant to observe or perform any of the other covenants, conditions or provisions of the Lease, where such failure shall continue for a period of thirty (30) days after written notice from Landlord; provided, however, if more than 30 days are reasonably required for its cure then Tenant shall not be deemed to be in default if Tenant commences such cure within said 30 day period and thereafter diligently prosecutes such cure to completion; (iv) the making by Tenant of any general assignment or general arrangement for the benefit of creditors; (v) the filing by or against Tenant of a petition to have Tenant adjudged bankrupt or a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Tenant, the same is dismissed within sixty (60) days); (vi) the appointment of a trustee or receiver to take possession of substantially all of Tenant's assets located at the Premises or of Tenant's

interest in the Lease, where possession is not restored to Tenant within thirty (30) days; (vii) the attachment, execution or other judicial seizure of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where such seizure is not discharged within thirty (30) days; (viii) the assignment or other transfer of all or any interest of Tenant in this Lease, or the subletting of all or any portion of the Premises, in either case which is in violation of Section 17 above; or (viii) a material default under the terms of the Clinic Support Agreement All notice and cure periods set forth above are in lieu of and not in addition to any notice required pursuant to applicable unlawful detainer/eviction statutes.

(b) Landlord's Remedies Upon Tenant Default. All rights and remedies of Landlord herein enumerated shall be cumulative, and none shall exclude any other right or remedy allowed by law or in equity, and all of the following may be exercised with or without legal process as then may be provided or permitted by the laws of the State of Washington. Upon any uncured material default under this Lease:

- (i) Landlord may reenter the Premises and remove or put out Tenant or any other persons found therein. No such reentry shall be construed as an election on Landlord's part to terminate this Lease unless a written notice of such intention is given to Tenant.
- (ii) Landlord may elect to re-let the Premises or any part thereof upon such terms and conditions, including rent, term and remodeling or renovation, as Landlord in its sole discretion may deem advisable. To the fullest extent permitted by law, the proceeds of any reletting shall be applied: first, to pay Landlord all costs and expenses of such reletting (including without limitation, costs and expenses incurred in retaking or repossessing the Premises, removing persons or property therefrom, securing new tenants, and, if Landlord maintains and operates the Premises, the costs thereof); second, to pay any indebtedness of Tenant to Landlord; and third, the residue, if any, shall be held by Landlord and applied in payment of other or future obligations of Tenant to Landlord as the same may become due and payable, and Tenant shall not be entitled to receive any portion of such revenue.
- (iii) Landlord may also elect to terminate the Lease and all rights of Tenant by giving notice to Tenant of such election. If Landlord elects to terminate the Lease, Landlord shall have the right to reenter the Premises and remove all persons, and to take possession of and remove all equipment and furniture of Tenant in the Premises. If Landlord so elects to terminate the Lease under this Section 19(b) (iii), Landlord may also recover from Tenant any amount necessary to compensate the Landlord for all the detriment proximately caused by the Tenant's default and at Landlord's election, such other amounts in addition to or in lieu of the foregoing that may be permitted from time to time by applicable law.

(c) Nothing in this Section 19 shall be deemed to affect Landlord's right to indemnification for liability or liabilities arising prior to termination of this Lease for personal injury or property damage under the indemnification provisions or other provisions of this Lease.

20. PRIORITY. This Lease shall be subordinate to any mortgage or deed of trust now existing or hereafter placed upon the Land or the Premises, created by or at the instance of Landlord, and to any and all advances made or to be made thereunder and to interest thereon and all modifications, renewals and replacements or extensions thereof ("Landlord's Mortgage"), and to any master lease hereafter

placed against the Land or Premises and to all modifications, extensions, and amendments thereof and thereto. Tenant shall properly execute, acknowledge and deliver documents which Landlord or the holder of any Landlord's Mortgage may require within ten (10) business days after Tenant's receipt of a written request for such documents to effectuate the provisions of this Section 20, provided that such documents state that Tenant's rights this Lease will not be terminated so long as Tenant is not in default hereunder.

21. ESTOPPEL CERTIFICATES. Tenant shall, from time to time, upon written request of Landlord, execute, acknowledge and deliver to Landlord or its designee a mutually agreed upon written statement certifying facts or circumstances concerning the Lease or the Premises. It is intended that any such statement delivered pursuant to this Section may be relied upon by Landlord or a prospective purchaser of Landlord's interest or holder of any mortgage upon Landlord's interest in the Building. Tenant shall respond within fifteen (15) business days of receipt by Tenant of a written request by Landlord. All Landlord requests to Tenant for an estoppel certificate shall include a copy to General Counsel, 701 Fifth Avenue, Suite 700, Seattle, WA 98104.
22. SURRENDER OF POSSESSION. Subject to the terms of Section 13 relating to damage and destruction, upon expiration of the Lease term, whether by lapse of time or otherwise, Tenant shall promptly and peacefully surrender the Premises to Landlord "broom-clean" and in as good condition as when received by Tenant from Landlord or as thereafter improved, reasonable use, wear and tear excepted. Tenant shall remove all of its personal property and trade fixtures from the Premises at the expiration of the Lease Term; any property not so removed shall be deemed abandoned and may be sold or otherwise disposed of as Landlord deems advisable.
23. NONWAIVER. Waiver by either party of any term, covenant or condition herein contained or any breach thereof shall not be deemed to be a waiver of such term, covenant, or condition or of any subsequent breach of the same or any other term, covenant, or condition herein contained.
24. HOLDOVER. If Tenant remains in possession of the Premises or any part thereof after the expiration of the Lease Term with the express written consent of Landlord, such occupancy shall be a tenancy from month-to-month at a rental in an amount equal to one hundred fifty-percent of the then applicable rental rate, in Landlord's sole discretion, and subject to all of the other terms, covenants and conditions of this Lease applicable to a month-to-month tenancy. Tenant acknowledges and agrees that this Section 24 does not grant any right to Tenant to holdover, and that Tenant may also be liable to Landlord for any and all damages or expenses which Landlord may have to incur as a result of Tenant's holdover (including, by way of example and not by way of limitation, any rental or penalty payments that may be imposed against Landlord as the lessee under underlying leases, whether or not for additional premises greater than the Premises demised hereunder).
25. LANDLORD'S LIABILITY. Anything in this Lease to the contrary notwithstanding, covenants, undertakings and agreements herein made on the part of Landlord are made and intended not as personal covenants, undertakings and agreements for the purpose of binding Landlord personally or the assets of Landlord except Landlord's interest in the Building, but are made and intended for the purpose of binding only the Landlord's interest in the Building, as the same may from time to time be encumbered.
26. RIGHT TO PERFORM. If Tenant shall fail to pay any sum of money required to be paid by it hereunder or shall fail to perform any other act on its part to be performed hereunder, and such failure shall

continue for ten (10) days after notice thereof by Landlord, Landlord may, but shall not be obligated so to do, and without waiving or releasing Tenant from any obligations of Tenant, make such payment or perform any such other act on Tenant's part to be made or performed as provided in this Lease.

27. MEDICAL, BIOLOGICAL, AND INFECTIOUS WASTE. Tenant may use medical and/ or dental supplies and materials and may generate Medical Wastes (defined below) which are commonly found in medical and/or dental offices, laboratories and clinics. Tenant's generation, use, storage and disposal of such supplies, materials and Medical Wastes shall strictly comply with all applicable local, state and federal laws, codes, rules, regulations and guidelines. Tenant represents and warrants to Landlord that, except as set forth in the preceding sentences, Tenant's intended use of the Premises does not involve the use, production, disposal or bringing on to the Premises of any other hazardous waste or materials. As used herein, "Medical Wastes" shall be defined to include the following:

- (a) Medical devices or paraphernalia such as syringes, fixtures, cotton swabs or pads, sponges, bandages, or wraps of any sort, or any other item which is utilized to treat any patient or other person for any medicinal, medical, diagnostic, dental, or therapeutic reason or purpose;
- (b) Any material of any type or nature whatsoever that are radioactive to any degree, whether as the result of their manufacture, use or application;
- (c) Any device or thing which is intended to come into contact with any part of the body, whether or not such item or device is so utilized prior to its disposal, including without limitation sharps;
- (d) Any instrument or thing which is designed for use or application in the medical office of Tenant, whether or not such device, instrument or thing is intended for any medical, dental, diagnostic, or therapeutic use; and
- (e) Any device, instrument or thing which has become infected, contaminated, diseased, or otherwise exposed to harmful, contagious, or communicable organisms, bacteria, or other life form.

Tenant shall not maintain in or around the Premises any activity or instrumentality dangerous to life or limb or to permit any objectionable noise or odor to escape or be emitted from the Premises or to permit anything to be done upon the Premises that would tend to create a nuisance or disturbance.

Tenant shall not permit use of the Premises by doctors and/or dentists not affiliated with Tenant without Landlord's prior written approval. Tenant shall not operate an urgent care facility, ambulatory surgery center, or any other facility or enterprise within the Premises that requires a health care facility license under applicable law. Notwithstanding the foregoing, Landlord expressly consents to Tenant providing same day appointments for treatment of minor injuries. In addition, Landlord expressly consents to local emergency medical services responders ("EMS") periodic use of a portion of the Premises for short-term holding of EMS patients requiring emergency medical transport from Lopez Island to the mainland.

Medical Waste generated within the Premises shall be disposed of by Tenant in accordance with the applicable laws and regulations of the State of Washington governing the disposal of such. Landlord shall have no obligation or liability for the removal or disposal of any Medical Waste created by Tenant. In the event any harm or injury of any type or nature whatsoever, should be caused to, incurred by, inflicted upon, or suffered by any individual, including Tenant or Tenant's agents, employees, patients, visitors, invitees or licensees, or Landlord or any of its agents, employees, guests, visitors, invitees or licensees, as

the result of the failure of Tenant to timely, thoroughly and completely dispose of Medical Waste, or as the result of coming into contact, whether by touching, breathing, inhaling, or in any other manner ingesting or consuming such item, or by being exposed in any manner thereto, Tenant shall save and hold Landlord and its principals and other tenants, agents, employees, patients, visitors, invitees or licensees harmless against any damages, liability, claims, causes of action or judgments arising therefrom. Tenant shall be liable to any injured party for all damages, costs or expenses, including attorney fees, arising out of any exposure, harm, injury, disease, contamination, or affliction suffered as the result of any Medical Waste stored, generated, or disposed of by Tenant in or around the Premises.

## 28. MISCELLANEOUS.

- (a) Authority. Each individual executing this Lease on behalf of Tenant represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Tenant, and that this Lease is binding upon Tenant in accordance with its terms.
- (b) No Brokers. Tenant represents and warrants to Landlord that it has not engaged any broker, finder or other person who would be entitled to any commission or fees in respect of the negotiation, execution or delivery of this Lease and shall indemnify and hold harmless Landlord against any loss, cost, liability or expense incurred by Landlord as a result of any claim asserted by any such broker, finder or other person on the basis of any arrangements or agreements made or alleged to have been made by or on behalf of Tenant.
- (c) Landlord Consent. In any instance where the Landlord's approval or consent is required either by the terms of this Lease or otherwise, such approval or consent shall not be unreasonably withheld, conditioned or delayed.
- (d) Entire Agreement/Amendments. This Lease is the final and complete expression of Landlord and Tenant relating in any manner to the leasing, use and occupancy of the Premises and other matters set forth in this Lease. No prior agreements or understanding pertaining to the same shall be valid or of any force or effect. The covenants and agreements of this Lease shall not be amended, altered, modified or added to except in writing in the form of an amendment to this Lease which amendment is signed by authorized representatives of Landlord and Tenant.
- (e) Severability. Any provision of this Lease which shall prove to be invalid, void or illegal shall in no way affect, impair or invalidate any other provision hereof and the remaining provisions hereof shall nevertheless remain in full force and effect.
- (f) Force Majeure. Except for the payment of Additional Rent or other sums payable by Tenant to Landlord, time periods for Tenant's or Landlord's performance under any provisions of this Lease shall be extended for periods of time during which Tenant's or Landlord's performance is prevented due to circumstances beyond Tenant's or Landlord's control, including without limitation, strikes, embargoes, shortages of labor or materials, governmental regulations, acts of God, war or other strife.
- (g) Notices. All notices under this Lease shall be in writing and delivered in person or sent by registered or certified mail, postage prepaid, to Landlord and to Tenant at the Addresses provided in Section 1 above and to the holder of any mortgage or deed of trust at such place as such holder shall specify to Tenant in writing; or such other addresses as may from time to time be designated

by any such party in writing. If mailed, a notice shall be deemed received three (3) business days after the postmark affixed on the envelope by the United States Post Office. All notices to Tenant under this Lease shall include a copy to: General Counsel, UW Physicians Network, 701 Fifth Avenue, Suite 700, Seattle, WA 98104.

- (h) Costs and Attorney's Fees: Waiver of Jury Trial. If Tenant or Landlord shall bring any action for any relief against the other, declaratory or otherwise, arising out of this Lease, including any suit by Landlord for the recovery of Additional Rent or other payments hereunder or possession of the Premises each party shall, and hereby does, to the extent permitted by law, waive trial by jury and the losing party shall pay the prevailing party a reasonable sum for attorneys' fees in such suit, at trial and on appeal, and such attorney's fees shall be deemed to have accrued on the commencement of such action.
- (i) Governing Law and Venue. This Lease shall be governed by and construed in accordance with the internal laws of the State of Washington. Venue for any action concerning this Lease or the Premises shall be in King County, Washington.
- (j) Recording. Tenant shall not record this Lease or a memorandum hereof without Landlord's prior written consent and such recordation shall, at the option of Landlord, constitute a noncurable default of Tenant hereunder.
- (k) Waivers. No waiver by either party of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by the other party of the same or any other provision. Either party's consent to or approval of any act shall not be deemed to render unnecessary the obtaining of such party's consent to or approval of any subsequent act by the other party. The acceptance of any additional rent hereunder by Landlord shall not be a waiver of any preceding breach at the time of acceptance of such additional rent.
- (l) Time of Essence. Time is of the essence for the performance of all of the obligations specified hereunder.
- (m) Quiet Enjoyment. Subject to the other terms of this Lease, Landlord covenants that Tenant shall, and may peacefully have, hold and enjoy the Premises and FF&E for the Lease Term free of any claims by any party claiming by, through or under Landlord, provided that Tenant performs all of Tenant's obligations, covenants and agreements herein provided.
- (n) Merger. The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation thereof shall not work a merger and shall, at the option of Landlord, terminate all or any existing subtenancies or may, at the option of Landlord, operate as an assignment to Landlord of any or all of such subtenancies.

- (o) Counterparts. This Lease may be executed (a) in counterparts and each counterpart constitutes an original document and (b) in electronic form (e.g., by an electronic or digital signature or other means of demonstrating assent) and each party's electronic acceptance and signature will be deemed binding between the parties. Provided that the signatures are authenticated and stored in compliance with statutes authorizing electronic signatures, each party acknowledges and agrees it will not contest the validity or enforceability of this Lease, including under any applicable statute of frauds, because it was executed in electronic form.
